MAKE EVERYDAY A PAW-TAY!

## FOR DOGS. FOR PEOPLE!

Being a great companion is a two-way street. Keep park goers' dogs happy and healthy with visits to your dog park. Dogs were born for activity. Many behavior problems are caused by a lack of physical and mental activity. Our dog park selections provide opportunities to exercise their minds and bodies by catering to dogs of all abilities and confidence levels. Enhancing your dog park with our products will make every day a paw-tay! Let's go *play. relax. live.*

## WHY WE'RE BETTER

Our posts are recycled from post-consumer plastic products such as milk jugs and other plastic containers. Need not worry! Superior's Dog Play posts and decks are reliable for years. The lumber used is vandal resistant and is warranted from rotting for 15 years. In addition, we have added UV additives in the lumber and plastic components to prevent deterioration from the sun.
