More bark, more fun.

Our Story

We LOVE dogs – not just our dogs, but every dog! Which is why we are dedicated to providing premier dog park equipment to communities all over the world.

Dogs play such a vital role in the family unit, it only makes sense they should have their very own park.

Park Warehouse has taken the time to study not just dog behavior in the park, but the community it builds when introduced. Each of our products are researched, tested, and designed with our #1 customer in mind – your dog!

Why Bark Park?

Our agility products and courses are based on popular agility obstacles and have been developed for use by dogs of all abilities and confidence levels.

Get started by customizing your own set, or you can choose from one of our preconfigured dog park kits with particular functionality in mind.

Most of all, BarkParks builds attractive and fun places for pets and their families to exercise, socialize, and enjoy nature!

-  Promotes healthy behavior in dogs and dog owners
-  Offers exclusive CanineCoat™ thermoplastic coating
-  Available in 7 pre-configured agility courses
-  Made in the USA
-  Commercial Grade
-  Offers coordinating site amenities and accessories

Pets are good for your health

Love, companionship, and sloppy kisses are just a few of the reasons people own pets. In fact, pets have proven to be good for your health in many ways.

STRESS REDUCTION

Pet owners have less stress and recover more quickly from it.

HEART HEALTH

Studies show that people with pets have healthier heart rates and blood pressure.

WEIGHT MANAGEMENT

Dog owners are less likely to be obese. Physical activity increases from additional walks.

CHOLESTEROL LEVELS

Studies show that owning a pet can decrease cholesterol, triglycerides, and blood pressure.

Agility Products

HOOP JUMP

The Hoop Jump is a progressive jump trainer for dogs of all abilities which features three rings of increasing heights. In-ground mount or surface with anchor bolts. Thermoplastic coated.

46.75" L x 1" W x 53" H | 32 lbs.

SKU: 622DP115

ROVER JUMP OVER

The Rover Jump Over is an adjustable jump bar challenge that allows for quick and easy height changes— higher for experienced jumpers and lower for beginners and small dogs. The height can adjust simply by moving the bar to higher or lower notches in the frame. Mounts in-ground or surface mounts with anchor bolts. Powder Coated.

78" L x 42.5" W x 34.5" H | 75 lbs.

SKU: 622DP125

SMALL HOOP JUMP

Our Small Hoop Jump is designed specifically for little legs! The hoops are staggered in three different heights. Mounts in-ground or surface mounts with anchor bolts. Thermoplastic coated.

50" L x 1" W x 25.5" H | 15 lbs.

SKU: 622DP115

PAWS GROOMING TABLE

The "Paws" Table provides a place for dogs to take a break from running the BarkPark™ course or to practice sit and stay commands. Basic grooming can also be accomplished while the dog takes a pause. Mounts in-ground or surface mounts with anchor bolts. Canine Coat.

36" L x 36" W x 12" H | 56 lbs.

SKU: 622DP110

Agility Products

DOG WALK

The Dog Walk is the largest BarkPark™ component and is made up of three non-slip planks supported by mounted posts. Dogs can walk or run up, across, and down the planks based on their individual level of balance and confidence. Mounts in-ground or surface mounts with anchor bolts. Canine Coat.

230.25" L x 30" W x 32" H | 360 lbs.

SKU: 622DP105

STEPPING PAWS

The Stepping Paws require the dog to either step or jump from each platform. The pods increase and decrease in height to develop balance and confidence. The pods can be arranged to provide a true test of agility or to create a fun obstacle for dogs to play. Mounts in-ground or surface mounts with anchor bolts. Canine Coat.

14.5" OD | 75 lbs.

SKU: 622DP130

KING OF THE HILL

Let them be King! The King of the Hill provides a challenge for all dogs to walk or run up an incline and descend the other side at their own pace and confidence level. Endurance and balancing capacity are also developed. Mounts in-ground or surface mounts with anchor bolts. Canine Coat.

127.5" L x 30" W x 48.25" H | 240 lbs.

SKU: 622DP100

TEETER TOTTER

The Teeter Totter offers the challenge of an obstacle that the dog must "control." Once mastered, the Teeter Totter can be a real confidence booster for dogs in terms of balance. Mounts in-ground or surface mounts with anchor bolts. Canine Coat.

120" L x 15" W | 100 lbs.

SKU: 622DP120

DOGGIE CRAWL

The Doggie Crawl is a classic crawl tunnel that features many spy holes for increased interior brightness and superior supervision. The large diameter tunnel allows entry by most dogs and is made of heavy-duty rotomolded plastic. It can be surface mounted with ground spikes (included) or mounted in-ground.

44" L x 40" W x 45" H | 90 lbs.

SKU: 622DP150

FIRE HYDRANT & MISTING FIRE HYDRANT

The most popular spot in the park! The Fire Hydrant is resistant to urine and creates a fun social hangout! Choose between the standard Fire Hydrant, or to keep your canine cool, choose our Misting Fire Hydrant. The Misting Fire Hydrant sprays for 10 seconds when the top button is pushed. Surface Mounted. Thermoplastic Coated.
