What the BuyBoard can do for you today

By combining the purchase power of local governments, the BuyBoard is able to leverage better pricing on products, equipment, and services that you use every day. With a wide range of contracts available, members will find almost everything needed to support their entity.

Because the competitive procurement process has been completed, this provides members compliance with local and state procurement requirements and a documented audit trail. BuyBoard members save time and resources that would have been spent preparing and conducting a formal RFP. Cost savings are achieved through the competitive price of the product and the reduction of internal administrative time and effort.

With no cost and no obligation, BuyBoard is a great option to supplement your current purchasing activities.

BuyBoard was created to support and serve public schools, municipalities, counties, universities, and all types of local government agencies. That support is evidenced in the organizations that sponsor BuyBoard and in turn support their respective membership. Purchasing through BuyBoard means your agency is helping to support the statewide organizations that support you.
